April 16, 2013

Honorable Thomas M. Menino
Mayor
City of Boston, Massachusetts
1 City Hall Square, Suite 500
Boston, MA 02201-2013

Dear Mr. Mayor,

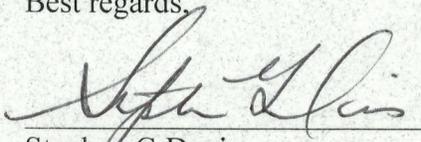

On behalf of the Town of Wentworth New Hampshire; the Board of Selectmen wish to convey our deep sorrow at the violence and senseless loss of life perpetrated on your City last Monday the 15th of April.

The professional and immediate aid provided the victims of this outrageous act reflect well on the City's first responders and the Office of Mayor. There were at least two residents of Wentworth that were in your City for the Boston Marathon. We wish to commend and thank you and your City personally for getting them home safely.

Our thoughts and prayers are with Boston and its residents at this time of outrage and grief. Bostonians will do as they have always done; picked themselves up and persevere in the face of tragedy, and in the pursuit of justice and liberty.

We join with others around the country in the support of Boston's efforts.

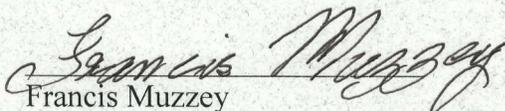

Best regards,

Stephen G Davis
