The Town of Wentworth New Hampshire

Annual Report 2018

In Memory

Noel Jake King 1958 – 2018

Town Road Agent Entrepreneur Loyal Friend to All

Noel was a very popular Road Agent, beloved by all. He was frequently delivered homemade baked goods by grateful Town Folk. When informing the Board of Selectmen that he would not be running for re-election, he said with his familiar smile and a twinkle in his eyes: "I have to get done before I am too fat to get out of the truck." He remained an advisor to the Selectmen on road issues.

Noel quietly helped the elderly and needy families get through hard times with his generous support in terms of time and resources. A pickup truck full of wood; food and supplies or the repair of a washed out driveway were just a few of the ways he improved lives. The extent of his help to our area communities may never be fully known, but it will always be remembered.

Wentworth Cemeteries and Officers

The Wentworth Cemetery Association was voluntarily organized and incorporated as a non-profit entity by the three town Cemetery Associations for the purpose of lowering the costs of administration by hiring a Caretaker to work at the three lots and to share the costs of the legal and insurance obligations of the three individual Cemeteries.

Each Cemetery is privately owned and incorporated in the State of New Hampshire with elected Officers and with their own set of Bylaws.

Eastside Cemetery Association, Inc.

President: Steve Davis, (603) 764-5741

Treasurer: Leona Fortier

Foster Cemetery Association, Inc. 501(c)3 NH registration: 3397

President: Paul Smith, (603) 764-6000

Treasurer: Bonnie Jones

Village Cemetery Association

President: Mary Chase, (603) 353-4880

Treasurer: Kathryn Reed

Wentworth Cemetery Association, Inc.

(Formed to provide common insurance and services to the three Town Cemetery Associations)

Mailing Address: 237 Eastside Road, Wentworth, NH 03282

President: Steve Davis, (603) 764-5741

Treasurer: Paula Davis

All three Cemeteries are looking for members to serve as Officers or attend meetings. If you have a family member or loved one interred in any of our cemeteries, you are qualified to serve on the Board and vote in the Annual Meetings. Please contact the President of the cemetery for information. Thanks!

Selectmen's Report

Once again, we find that the year has sped by at record speed and the Board of Selectmen would like to thank the Town of Wentworth for its patience and understanding during our many challenges this year.

The Selectmen's Office saw many changes in 2018. March found us with two new Selectmen; Peter Santom and Douglas Campbell. Although new to the 2018 Board, both Pete and Doug had served as Selectmen previously, and the office was excited to have their combined experience on the Board.

March also saw the swearing in of a new Conservation Commission. The new commission members included Glenn Campbell, Sarah Brown, Jacob Brendle, Francis Muzzey, Richard Borger, Ricky Borger, and Noel King.

During the year, the Selectmen's Office continued to work closely with FEMA on closing out the July 2017 storm project (report closed September 2018) and the October 2017 storm (closure pending). The Board will continue to work with FEMA on Cross Road Bridge and Frescoln Road Bridge projects. The Town also pulled together to clean up and fix Hamilton Field and Riverside Park. The Selectmen would like to thank all those who stepped in to return these parks to their pre-storm glory. These projects would not have been possible without you.

This year we had some great additions to our Town to include Rebecca Bordonaro, who was brought in as our Town's Health Officer. Ms. Bordonaro is the Health Officer in Rumney and has already proven to be a valuable member to our Town. Another addition to our community was Dollar General. Although much of the Town was unsure of how this business would fit in with our Town, many residents have stated they are pleased with the service, variety, and job opportunities brought by Dollar General.

The month of October was a rough one for the Selectmen's Office. Pete Santom resigned at the beginning of the month and his position on the Board was filled by Morgan Currier. Doug Campbell announced his resignation from the Board at the end of October and Steve Davis stepped in to take Doug's seat. Finally, our Administrative Assistant, Arlene Patten, resigned at the end of October. The Board of Selectmen would like to thank Arlene, Pete, and Doug for their hard work and dedication during their time in the Selectmen's Office.

Once again, our Town saw many great events happen throughout the year. We had many participants in the Easter Egg Hunt, Variety Show, Market Day, Veteran's Lunch, Turkey Trot, Trunk-or-Treat, Christmas Tree Lighting, and Wild Game Dinner. A huge Thank You goes out to all of the organizations and individuals that made these events possible for our Town!

Finally, the Board would like to thank our Emergency Responders, including the Fire Department, Police Department, Ambulance Service, our Highway Department, and volunteers of the Emergency Management Team for their dedication, hard work, and sacrifices to the Town of Wentworth during 2018.

Respectfully Submitted by

The Board of Selectmen

2019 WARRANT

Article 01 Election of officers

To choose all necessary Town Officers for the ensuing year. (By Official Ballot)

Article 02 Receive reports

To receive reports from the Selectmen, Town Clerk/Tax Collector, Treasurer, Auditors, and other Town Officers; and to vote on any motion relating to these reports.

6 | Page

21. To see if the Town will vote to raise and appropriate the sum of \$6,700 for the Parks and Recreation for the general maintenance of parks, including the Common, Library, Riverside Park, and Hamilton Memorial Field to come from 2018 general taxation.

Motion: Martha Morrill 2nd: Kevin Patten Passed by voice vote

22. Since the gazebo on the common was built, electric service has been provided via extension cords strung through trees to neighboring properties. This practice needs to stop. We propose permanent service to the gazebo on the common as follows:

Install buried 100 amp electric service from the power pole on the common in front of the church to the gazebo. Install electric panel in the gazebo and finish preexisting lighting / electrical installation. Trenching is included in this budget. NH Electric Coop will need to install a meter on the pole, electric account to be the responsibility of the Town of Wentworth. Volunteers will handle coordination of this effort. Further to raise and appropriate \$4,000 for this purpose. The Selectmen recommend this article.

Motion: Jenn Meade 2nd: Richard Young Passed by voice vote

23. To see if the Town will vote to raise and appropriate the sum of \$47,855 for the Webster Memorial Library expenses; \$750 to come from Library Income, \$1,843 to come from Library Fund Balance, \$8,000 to come from the Library Expendable Trust Fund and the remaining sum of \$37,262 to come from 2018 general taxation. The Selectmen recommend this article.

Motion: Glenn Campbell 2nd: Morgan Currier Passed by voice vote

24. To see if the Town will vote to accept donation of a rock sculpture currently placed in front of the Town Offices building and further to seek the opinion of Town Meeting on the permanent location of said rock sculpture.

Motion: Kay Bailey
2nd: Michele Clark
Failed -NO to accepting s

Failed -NO to accepting sculpture

25. Shall the Town of Wentworth vote to adopt the provisions of RSA 72:28-b, All Veterans' Tax Credit? If adopted, the credit will be available to any resident, or the spouse or surviving spouse of any resident, who (1) served not less than 90 days on active service in the armed forces of the United States and was honorably discharged or an officer honorably separated from services and is not eligible for or receiving a credit under RSA 72:28 or RSA 72:35. If adopted, the credit granted will be \$200, the same amount as the standard or optional veterans' tax credit voted by the Town of Wentworth under RSA 72:28.

Motion: Dave Williams 2nd: Hannah Carle Passed by voice vote

26. Transact any other business that may legally come before the meeting.

Motion: Paul Davis 2nd: Kay Bailey No other business

To attest to the minutes authenticity and accuracy, Respectfully Submitted by:

Deborah Ziemba, Town Clerk

2018 Town Clerk and Tax Collector Report

Thank you all for a great first year as your elected Town Clerk/Tax Collector! I have enjoyed getting to know you all and it is my privilege to provide you the best service possible. I find that this town is full of helpful, patient, kind residents and I am proud to say I reside in Wentworth.

Many asked about getting a credit/debit card machine for the office. I researched that idea and found that it would not be worth the cost. The fees were phenomenal compared to the number of requests I had for a machine. You can however pay your taxes, renew your vehicle registrations, and license your dog with Credit/Debit card or Check online, by logging on to our website:

http://www.wentworth-nh.org

Remember your dog's current licenses expire on April 30, 2019. On June 1st a penalty of \$1.00/month is added to the unlicensed dogs. Please advise if have lost your precious pet so that we can remove them from our billing system.

Please welcome our new Deputy Town Clerk/Tax Collector, Andrea Achilles-Monroe, sworn in in September. She brings a lot of enthusiasm for the position and if you haven't met her already, she is here on Tuesday evenings. I would like to thank Andrea and my Assistant Darlene Oaks for all their dedication and hard work.

Respectfully submitted,

Albarah Ziemba

Deborah Ziemba

Wentworth Volunteer Fire Department

2018 has come and gone for all of us and as always I am forced to stop and reflect as I type this annual report. We saw a fairly dramatic decrease in calls for service this year, due in large part to no major weather events. That is not to discount the work done though; the men and woman who serve this town continue to amaze me. Late in the year, we were called to what would ultimately be a fatal fire in a neighboring town. The members of this department handled themselves with a level of professionalism that truly speaks to their character and respect for the job they do.

On a brighter note, we were fortunate enough to have been able to make several key purchases for the department. We purchased four sets of gear for our firefighters, two went to new members and two to older members whose gear had reached the end of its lifespan. Through some due diligence, we were able to purchase lighter and more ergonomic gear for these members for no more cost than we had incurred in the past. We also have begun the process of replacing/upgrading some of our fire hose. The new hose has better flow characteristics and is lighter and more durable than the hose it replaced, and we will continue to look at purchasing more as our budget allows. Late in the year, we received the gift of a second set of hydraulic rescue tools (Jaws of Life) from the Newfields NH Fire Department. They have already been placed in service and are sure to provide many more years of service to our Town's people. Finally, through our fundraising efforts, we took delivery of a new thermal imaging camera. This new unit replaces an outdated and unrepairable unit that we had purchased used many years ago.

On the subject of fundraising, we continued to work towards raising funds throughout the year. We would like to thank all those both residents and local community members who support us in all the things that we do. In an effort to show our appreciation and give back to those who support us, we again hosted a trick-or-treat location at the fire house on Halloween, as well as attending the "Trunk-or-Treat" event at the Wentworth Elementary School. New for 2018 was our first annual Easter egg hunt on the common. We received a genuinely overwhelming response to this event and it was a huge success. We will be hosting again this year and have at last count thousands more eggs than last year and are working on two locations for next year in order to ensure fun for all. Special thanks to the Easter Bunny for finding time in his busy schedule to come help us, I know that is a very busy time of year for him.

To wrap up, I just want to say thank you again to all of the members, their families and the community. Without the enduring support from all of you, the Fire Department would not be what it is today. I look forward to the continued growth and support that I know is possible with your backing. Though our roster has steadily grown over the last few years, we are always looking for those who want to help. We meet at the Fire Station on the 1st and 3rd Wednesdays of the month at 7pm, our door is always open and we look forward to meeting you there. As always please follow us on Facebook to keep up to date on our activities as well as events going on in town.

Respectfully Submitted

LT. Ray Welch

Wentworth Police Department Annual Report 2018

Dear Wentworth residents, business owners, and property owners. First and foremost I need to thank you all once again for the continued support that you have showed me as your Chief of Police and the support you have given the other members of "your" police department.

2018 was a busy year to say the least. There were 720 calls for service in 2018 verses 618 calls for service in 2017. These calls, like those in 2017, were a combination of calls received from Grafton County Dispatch, calls received directly by the Wentworth Police Department, as well as self-generated calls for service.

2018 was the first year that I was able to dedicate all of my time and energy to the town of Wentworth itself with no other commitments. This was because I had made the decision to retire from my full time law enforcement position in Haverhill as 2nd in command in September 2017 after 20 years of service.

Some of you have seen me in Wentworth more often, during evenings and weekends, and, during numerous events such as OHRV patrols and school events. This has proved to be beneficial in many ways and our numbers reflect that.

I think that as your Chief of Police the most important statistic that I can share with you regarding last year is the fact that the Wentworth Police Department made 18 Arrests in 2018.

Those arrests ranged in level of offenses from operating without a valid license, operating after suspension, violation of protective orders, to felony level possession of heroin and fentanyl.

This past year your police department also took part in a county wide drug sweep named "Operation Northern Alliance". This operation was a well-organized, well-planned, joint effort that included 11 other local law enforcement agencies as well as federal agencies.

That operation was supported by members from the Grafton County Sheriff's Department, New Hampshire State Police Narcotics Investigations Unit, New Hampshire State Police, New Hampshire State Police K-9 Units, New Hampshire Attorney General's Office, The Drug Task Force, The Drug Enforcement Unit, United States Marshalls, Homeland Security and even air support from the New Hampshire State Police.

That operation was executed over a two day time period and netted 25 felony drug arrest as well as numerous other arrests for misdemeanor level offenses and other various charges. Four of those arrest were made in the town of Wentworth one of which was a felony level drug charge for possession of heroin and fentanyl. That person was later indicted on those charges.

This past year we hosted our first Bicycle Safety Rodeo at the Wentworth Elementary School. It was a huge success and every student went home with a brand new safety approved bicycle helmet. During this event bicycles went through a safety check and repairs and adjustments were made where needed and each student completed a safety program where they learned the rules of the road, proper use of hand signals, and then completed a bicycle maze demonstrating what they had learned.

I want to personally thank two other very important members of the emergency services family in our area, Chief Jeff Ames of the Wentworth Fire Department, and, Chief Robert Clay from the Warren Wentworth Ambulance.

Chief Ames and Chief Clay were instrumental in assisting me with obtaining a grant from Childrens Hospital at Dartmouth-Hitchcock, (CHAD), titled "Safe and Active Community Grant". That grant provided 55 multi-sport helmets that each WES student received, and was properly fitted for, during this event. Chief Ames and Chief Clay also provided several members of their agency who took part in this event which also made it such a huge success.

I want to also thank the other members of my agency for their hard work, dedication, and support over this past year. Their behind the scenes efforts and contribution to this agency and community are what make this Police Department the professional law enforcement agency that it is and they should be recognized and commended for their work.

In closing I also want to thank the Wentworth Board of Selectmen for their continued support over the past year, and, the other department heads that have worked with me throughout this past year on numerous projects, as well as the Wentworth community as a whole.

Over the past three years I have become very attached to the Town of Wentworth New Hampshire, both professionally and personally, and I consider it a privilege to so serve as your Chief of Police. Thank you.

Respectfully Submitted,

Chief Wallace Trott Wentworth Police Department

2018 Road Agent Report

2018 was a busy year for the Wentworth Highway Department. We finished our paving projects in the community that we had previously scheduled for the year. Those projects consisted of the paving of Goves Lane and Ellsworth Hill Road and finishing the remaining part of Buffalo Road, which was also completed.

The two parks in Wentworth, Hamilton Field and Riverside Park, were cleaned up, inspected, and reopened to the public. This had been a lengthy process after the floods, but, the finish work was completed and they were used and enjoyed during the entire year.

This past year I also switched from using calcium chloride to magnesium chloride which saved the town money and in my opinion worked better in keeping the dust down on our dirt roads. I base this opinion off of my own observations, the input of some of our residents, and the fact that we received fewer complaints regarding the dust.

I think that it should also be noted that the Highway Department has continued to be involved with working with the selectman and FEMA regarding obtaining reimbursement funds for the emergency work that was done during the 2017 floods. This has been a long process, but will prove beneficial to the community of Wentworth in the end. The town has received some fund reimbursement already and we have been working with FEMA collectively to obtain some more reimbursement.

This past year as some of you may know we lost a highway employee and went most of the second half of the year with just 2 employees. This was challenging at times, especially when we came into the winter months, but, in true Wentworth fashion, local people and residents stepped up and helped out where ever they could.

There has been some discussion on the restructuring of the highway department and possibly having 2 full time employees and a part time seasonal position instead of three full time employees. As your road agent I feel that the community needs and deserves three full time employees, but, that decision will be left up to the towns people and the selectmen in 2019.

For those of you that are not aware this will be my last report as your road agent. I have served as your road agent for almost three years now and as of March 31st 2019 I will be going back into the private sector to take advantage of opportunities that have been presented to me.

I want to thank all of you who have supported me as your road agent over the past three years and even those that have been critical of the highway department. During my time here I have become attached to the town of Wentworth and wish only the best for the town and the new road agent whoever that may be.

Respectfully,			

Kevin Gilbert

PLANNING BOARD REPORT FOR 2018

There were four minor lot line adjustments in 2018. Francis Muzzey resigned in September, and after his resignation, the Chair was vacant, so in a duly posted special session, Marina Reilly-Collette was elected Chair for the remainder of the year. The Planning Board initiated activity to review the Town of Wentworth's Master Plan for updates and also studied the implication of recent changes in state

law to the planning board regulations; no changes to the planning board regulations occurred. Members of the planning board attended the North Country Council information sessions to remain current on the

requirements of their positions, time permitting.

All meetings are open to the public. Minutes of the meetings are posted in the official log of the Planning Board, located in the Selectmen's meeting room. They may also be viewed on the Town's website. Please feel free to attend our meetings, ask any questions or make suggestions.

Sincerely,

Marina Reilly-Collette

Chair

ACCOUNTANTS' COMPILATION REPORT

To the Board of Selectmen, Town of Wentworth:

Management is responsible for the accompanying financial statements of Town of Wentworth, which comprise the balance sheet as of December 31, 2017, and the related statements of revenue and expenditures for the year then ended, included in the accompanying prescribed form MS-535. We have performed a compilation engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. We did not audit or review the financial statements included in the accompanying prescribed form MS-535 nor were we required to perform any procedures to verify the accuracy or completeness of the information provided by management. Accordingly, we do not express an opinion, a conclusion, nor provide any form of assurance on the financial statements included in the accompanying prescribed form MS-535.

The financial statements included in the accompanying prescribed form MS-535 are intended to comply with the requirements of New Hampshire Department of Revenue Administration, and are not intended to be a presentation in accordance with accounting principles generally accepted in the United States of America.

New Hampshire Association of Conservation Commissions

SERVING NEW HAMPSHIRE'S COMMUNITIES SINCE 1970 54 Portsmouth Street, Concord, NH 03301 | (603) 224-7867

October 9, 2018

Dear Wentworth Conservation Commissioner,

Thank you for the great work you do protecting NH's natural resources in your community! For more than 50 years, NH conservation commissions have been undertaking important conservation efforts in their communities and the New Hampshire Association of Conservation Commissions (NHACC) has been supporting commissions individually and collectively at every step.

Elaine Planchet Administrative Assistant

Your support of NHACC builds a stronger NH conservation community.

Your annual dues provide so much more than simply access to expert advice. We work diligently to make sure your voice is heard in the state legislature and on state-wide commissions. Your NHACC membership is vital so we can continue to provide assistance and strong leadership on behalf of NH Conservation Commissions.

Last year, with your support NHACC was able to:

- Coordinate regional roundtables to encourage networking and best practices;
- Provide technical assistance to CCs for help with conservation funding, land management, natural resource planning and working with other boards;
- Follow the State Legislative Session to keep you up-to-date on bills that would affect CCs, such as proposed changes to wetland permitting, defending current use and clarifying RSA 36-A;
- Lobby the legislature to support CC's ability to request extensions when reviewing wetland permit applications;
- Work closely with NH Dept. of Environmental Services on the Draft Wetland Rules review to ensure CC concerns are addressed:
- Serve on the Taking Action for Wildlife Team with the UNH Cooperative Extension, and NH Fish & Game;
- Assist the Community and Town and Forest Committee to help towns better track and manage town owned land;
- Began updating the NHACC Handbook to continue to educate our members and provide an important reference source for CC endeavors;
- Encourage schools to work with CC's on environmental education programs through the School Partnership Program.

NHACC's goal is to ensure that all NH conservation commissions remain strong and relevant within their communities, making NH a healthy, desirable place to live and work. We cannot accomplish this goal alone; we need your help. Please renew your NHACC membership today. We look forward to working with you again this year and I hope to see you at the annual conference on November 2 in Pembroke, NH.

Sincerely,

Barbara Richter, Executive Director

Webster Memorial Library Trustees Report for 2018

This has been an exciting year for the Webster Memorial Library. The library is 102 years old and it continues to age gracefully. The trustees, volunteers and our Library Director continue to update, restore and repair as needed.

We would like to thank the community for its patience while we prepared the library and refinished the floors. The effort was worth the beautiful results for our floors and we purchased a few carpet runners for the high traffic areas. We invite the public in to see our original refinished floors.

The main computer was failing and repaired during the spring but continued to crash so a new computer was purchased in December.

In November we hired a custodian to shovel the steps, walkway and ramp. He will also do some inside maintenance.

Nance Masterson, our Library Director, did holiday craft events throughout the year. In February 2018, Nance was able to borrow a 3D printer from the State Library and she hopes to borrow it again next year. We thank the children who participated in the summer reading program and the parents who encouraged them to come. The summer reading is a yearly event and we look forward to more children participating in it in 2019.

Our book group has been going strong and increased in participation. We thank all who have been attending and encourage others to join us. Book group is every 2nd Monday of the month at 6:00 pm and story hour is Wednesday at 10:00 am.

We welcome our community to come and experience the wide variety of books, magazines, DVDs and audio books we have to offer. Computer and internet services and New Hampshire downloadable books are some of the other services we provide to the public.

We thank the community for your continued support of the Library.

Sharon Sanborn Kay Bailey

Christine Santom

Respectfully Submitted,

2018 Webster Memorial Library Librarian's Report

The library is open on Mondays from 1-6, Wednesdays from 11-5, and Saturdays from 9-12. Story hour is on Wednesdays at 10 am. An adult book discussion group meets on the 2nd Monday of the month at 6 pm, and Trustee meetings are held on the fourth Monday of the month at 11 am.

Patrons can borrow a variety of items including books, audio books, DVDs, periodicals, and a telescope. Internet databases are available to patrons both in the library and at home. The library participates in the Inter-Library Loan program and can borrow items from other New Hampshire libraries. Patrons can download audio books, eBooks, and periodicals through the New Hampshire Downloadable Books consortium.

High-speed internet access is available at the library. There are two public access computers as well as wireless connectivity for patrons with their own laptops or other devices.

The library's holdings are as follows:

General Fiction	3110
General Nonfiction	4544
Children's Fiction	3022
Children's Nonfiction	1216
Audio-Visual Materials	1086
Periodicals	23

In 2018, there were 558 cardholders and 1127 visits made to the library. Total circulation of library materials was 1772 items:

General Fiction	716
General Nonfiction	184
Children's Fiction	308
Children's Nonfiction	18
Periodicals	67
Audio-Visual	104
ILL Items Loaned	97
ILL Items Borrowed	278

640 audio books, eBooks, and periodicals were downloaded from the New Hampshire Downloadable Books website.

The library acquired 498 items in 2018. Of these, 88 items were gifts. 287 items were added to the general collection, 182 items were added to the children's collection, and 29 items were added to the audio-visual collection. 8 of the 23 periodical subscriptions are also gifts.

Many thanks to those who support the library!!

Respectfully submitted,

Nance Masterson, Librarian

STATE OF NEW HAMPSHIRE Executive Council

JOSEPH D. KENNEY EXECUTIVE COUNCILOR DISTRICT ONE

STATE HOUSE ROOM 207 107 NORTH MAIN STREET CONCORD, NH 03301 (603) 271-3632

Annual Report of District One Executive Councilor Joseph Kenney January 3rd, 2018

Moving into 2019, this will be my last year as your Executive Councilor, I have thoroughly enjoyed serving you and working with many great local, county and state officials. I have been honored and grateful to have your trust for the past five years.

The Governor, Executive Council and Legislature have worked on many important issues such as the heroin, fentanyl and opioid crisis, workforce development, infrastructure improvement, school safety infrastructure, youth and family services and protection of our natural resources.

In 2018, I was proud to be a part of the Friendship House dedication in Bethlehem, the Fifth Glen House Hotel dedication near Mount Washington, the State Liquor store dedications in Colebrook and Lancaster and state land transfer near Mascoma Lake Park in Enfield. I have worked with dozens of small business owners to assist them throughout the regulatory process to open their businesses. The State is moving forward in a positive direction to sell the Rumney and Shelburne rest stop areas that have been closed for many years. I remain close to the Lakeshore Redevelopment Planning Commission in the development of the "Old State Property" in Laconia. Many communities such as Newport, Colebrook and Bristol are going through economic development revitalization and I have assisted them with funding ideas and with state and federal contacts.

There are over a thousand volunteers who serve on our State Boards and Commissions. I have had the pleasure to vote for many of them in District 1. The Council has confirmed 6 Circuit Court Judges, 2 Superior Court Judges and 1 State Supreme Judge(s) in 2018. In 2018, there were 1.7 billion dollars in expenditures, 6.4 billion in working capital and the Council passed 1775 contract items.

The Ten Year Transportation Improvement Plan, working with the NHDOT and the Regional Planning Commissions will commence in the New Year. The new Council will address the needs of the State and conduct hearings later in the summer and subsequently pass on a plan to the Governor for his consideration prior to it going to the NH Legislature. In the past, the plan has focused on preservation, maintenance and safety of existing pavement and bridge infrastructures throughout the state. Over \$16 million in federal funds was provided to NH for the Congestion, Mitigation, and Air Quality (CMAQ) program of which 16 grant applications were accepted. One of those grants, is the Conway Rec Path Project for \$1.2 million. Contact William Watson at NHDOT for any additional details at 271-3344.

The Governor and Council are looking for volunteers to serve on the dozens of state boards and commissions. If you are interested, please send your resume to Governor Chris Sununu, State House, 107 North Main Street, Concord, NH 03301, attention Eliot Gault Director of Appointments/Liaison or at (603) 271-8790. A complete list of all state boards and commissions is available at the NH Secretary of State website at www.sos.nh.gov/redbook/index.htm

The Executive Council office has available the following informational items: NH Constitutions, tourist maps, consumer protection handbooks, etc. Some Councilors periodically email their weekly schedule and other items of note. If you would like to be included on this list, contact our office at 271-3632. There is also an active internship program for college students and others who might be interested so please contact our office to discuss this with our staff at any time.

Best Regards - Joe

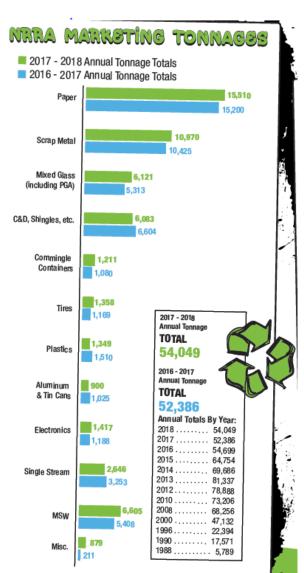

Northeast Resource Recovery Association, 2101 Dover Road, Epsom, NH 03234 Telephone: (603) 736-4401 or 1-800-223-0150 Fax: (603) 736-4402 E-mail: info@nrra.net Web Site: www.nrra.net

Dear NRRA Member,

As a member of Northeast Resource Recovery Association (NRRA), your community has access to all the services of this first in the nation, 38-year old recycling cooperative. Your member-driven organization provides you with:

- Up-to-date **Technical Assistance** in waste reduction and recycling including solid waste contract negotiations;
- Cooperative Marketing to maximize pricing and Cooperative Purchasing to minimize costs;
- Current Market Conditions and Latest Recycling Trends, both regionally and nationwide;
- Innovative Programs (i.e. Dual Stream, Consolidation and Single Stream);
- Educational and Networking Opportunities through our Annual Recycling Conference, our Monthly "Full of Scrap" email news, monthly Marketing meetings, members' only website, workshops and Fall Facility Tours;
- NRRA School Recycling CLUB a program to assist schools to promote or advance their recycling efforts;
- NH DES Continuing Ed Credits;
- NH the Beautiful Signs, Grants, Bins and Recyclemobiles.

NRRA membership has grown to include more than 400 municipalities, businesses and individuals in New Hampshire, Vermont, Massachusetts, Connecticut and Maine. NRRA, as a non-profit organization, is unique in that we do not charge a "brokerage fee" or work to maximize profit gains, but rather has a minimal "Coop" Fee" which is re-invested to further your recycling programs and solid waste reduction efforts in schools and municipalities.

Through your continued support and dedication, NRRA has assisted our members to recycle over 54,000 tons in fiscal year 2017-2018!

Please contact NRRA at 800-223-0150 / 603-736-4401 or visit our website at www.nrra.net

"Partnering to make recycling strong through economic and environmentally sound solutions"

Wentworth, NH

Congratulations for being such active recyclers!

Below please find information on the positive impact your recycling has had on our environment.

The recyclable materials listed below were sent to market to be remanufactured into new products through your non-profit recycling organization, the Northeast Resource Recovery Association.

Recyclable Material	Amount Recycled In 2018	Environmental Impact! Here is only one benefit of recycling materials rather than manufacturing products from virgin resources
Electronics	3,207 lbs.	Conserved enough energy to power 0.4 houses for one year!
Tires	0.8 tons	Conserved 0.6 barrels of oil!

Avoided Emissions:

Recycling uses much less energy than making products from virgin resources, and using less energy means fewer greenhouse gases emitted into the atmosphere.

By recycling the materials above, you have avoided about **4 tons** of carbon dioxide emissions. This is the equivalent of removing **1 passenger cars** from the road for an entire year!

Regional Planning Commission & Economic Development District

As the Regional Planning Commission serving 50 municipalities and 25 Unincorporated Places of Northern New Hampshire, North Country Council continues to move forward as a proactive resource for our communities, partners and the region, providing professional economic development, community, regional, transportation and solid waste planning services to serve your needs. Here are some of the highlights from the past year:

- Continue to play a key role in the administration and compliance of federal regulations for funding received for infrastructure improvements at the former Wausau paper mill site in Groveton.
- Administrator for the Pemi Baker Solid Waste District.
- Provided technical assistance and staff support to the Town of Littleton Parking Commission for a study and plan for management of parking in downtown Littleton.
- Provided grant writing and technical assistance to assist communities, highlight of this work is the awarded \$500,000 CDBG to retain and create 27 jobs at the Friendship House in Bethlehem and a feasibility study for to identify the need for expanded care in the Cottage Hospital service are through Grafton County.
- Administered and provided technical assistance to communities and organization seeking Northern Border Regional Commission (NBRC) grants within the region.
- Coordinated household hazardous waste collection events serving 19 towns in the region.
- Assisted NH Fish & Game, White Mountain Community College, and the Androscoggin Watershed Council with assessments of stream crossings in the Androscoggin River Watershed, as well as outreach to municipalities to help them use them information gathered to prioritize and plan culvert improvement and replacement projects.
- Completed 199 traffic counts (160 for NHDOT and 39 locally-requested counts) throughout the region to provide
 consistent and reliable data for use when planning infrastructure improvements.
- Facilitated the efforts of the North Country Scenic Byways Council to steward, improve, and promote the North Country's system of scenic byways." Make the second sentence a new bullet, change to "Performed pavement condition assessments of local roads for the Towns of Groton and Wentworth to assist with planning and budgeting for roadway maintenance.
- Assisted communities in the region with the development and submittal of proposals for roadway and bicycle and
 pedestrian safety and improvement projects to be considered for funding through the Statewide Ten Year
 Transportation Plan, the Transportation Alternatives Program, and the Federal Lands Access Program.
- Assisted the Town of Littleton with development of Bicycle and Pedestrian Infrastructure Improvement Plan.
- Provide technical mapping services to various communities in the region, including assistance to the Bath
 Conservation Commission for an Aquatic Resource Mitigation (ARM) Fund grant application and to the Town of
 Bethlehem for a map of public parking areas.
- Provided member municipalities with guidance on records storage, prime wetlands designation, private
 development on federal land, bonding, interpretation of local regulations, and to several communities with the
 process for cell tower review, master plan updates and capital improvement programing. Dues provided match
 funding to enable some additional hands-on assistance with updates to local land use regulations, zoning
 amendments, downtown revitalization, and MTAG and hazard mitigation grant applications.
- Facilitated bulk purchase by communities of the NH Planning and Land Use Regulation books.
- In economic development we continue our strong relationship with the Department of Commerce and the Economic Development Administration (EDA) in bringing funding and project development to the region. This year's highlight of our work with EDA include continuous work with the Comprehensive Economic Development Strategy Committee meeting on a bi-monthly basis to complete the five year update by December of 2018. This effort in 2019 will take a deeper dive into the regions communities the Council will host regional roundtables

161 Main Street Littleton, NH 03561 - 603-444-6303 - www.nccouncil.org

focused on better understanding the needs and unique assets of the regions communities. Through this funding North Country Council Staff is able to provide various types of technical assistance and project development support around the region.

All of us here at North Country Council look forward to serving your community. The Council is your organization. We are dedicated to both supporting our individual members and promoting our region's success. We look forward to working with you in the months ahead.

Respectfully submitted,

Michelle Moren-Grey

PEMI-BAKER SOLID WASTE DISTRICT

Brian Patnoe, Chairman Jessie Jennings, Vice-Chairman Erik Rasmussen Treasurer Nick Altonaga, Secretary c/o 161Main Street Littleton, NH 03561 (603) 444-6303 ext. 2021 pemibakerswd@gmail.com

2018 Annual Report

This past year, the Pemi-Baker Solid Waste District continued its cooperative efforts to promote waste reduction, increase recycling, and to provide residents with a means of properly disposing of their household hazardous waste (HHW).

The District held two (2) one-day HHW collections, one in Littleton and the other in Plymouth. A total of 237 households participated in the program. It was estimated that over 8,200 tons of material was collected. Total expenses for this year's program (disposal costs, advertising, & insurance) were \$23,344.00. The District was awarded a grant from the State of NH for \$5,587, and received a \$5,000 donation from Casella Waste. The net expenditures for the program were \$12,757 (a cost of \$0.46 per resident).

In 2018, the District will once again hold collections in Littleton (Sunday, August 19th) and in Plymouth (Saturday, September 29th). Individual residents can help to minimize the District's disposal costs and reduce the toxicity of the waste stream by remembering a few of these helpful tips; Buy only what you need. If you have leftover product, properly store it so it will last. Use biological controls and organic products for pests and diseases in the garden when feasible. Apply chemical pesticides only as a last resort and be sure to follow the directions on the label. Lastly, air-dry your leftover latex paint. When completely dried, latex paint may be disposed of in your household trash.

The district also coordinated a fluorescent light bulb collection and recycling program, which involved all member towns. This year roughly 27,628 linear feet of fluorescent tubes was collected, as well as 3,247 compact fluorescent bulbs, and 1,644 units of ballasts and batteries. The total cost for this effort was \$4,161.31 covered by district dues.

When selling your recyclables, be sure to call multiple brokers as prices can vary between brokers. Even small differences can add up to significant dollars over the course of a year. Brokers also can offer a wide array of collection options (single-stream, co-mingled, split loads, etc) to best suit your recycling facility. What works for one town may not work for another, but no matter the circumstances, there are many possibilities for members to decrease waste and increase recycling efforts. We are very fortunate to have some of the best municipal recycling programs in the State as well as a knowledgeable and innovative group of facility operators. If your town has questions, issues, or concerns you would like to address, please use the resources you have available. New Hampshire the Beautiful offers grants to NH communities to help with the purchase of recycling equipment. Grants may total up to one-half of the purchase price of such things as balers, roll-off containers, collections bins, or other equipment that will assist a town in achieving a higher diversion rate. More information on the grant program is available at www.nhthebeautiful.org.

As always, citizens interested in participating in the development of the District's programs are welcome to attend the District's meetings. Information regarding the place and time of the meetings is available at all municipal offices and recycling centers. If at any time an individual community needs assistance in regards to their solid waste/recycling program, please contact the District by email at pemibakerswd@gmail.com.

Respectively Submitted, Nicholas Altonaga, Secretary

Baker River Watershed Association 2018 Annual Report

The Baker River Watershed Association (BRWA) works with towns along the Baker River to promote preservation of water quality for safe recreational use and guidance in best practices for reduction of flood risks and drinking water protection, with aims to sustain the quality of the watershed and its river for all users. In 2018, it focused on educational outreach and river science activities in K-6 classrooms using accumulated funds from membership fees and donations. The BRWA presented an exhibit on floodplain development risk to 4th Graders in the Lakes Region at the 26th Annual NH State Drinking Water Festival and 4th Grade State Water Science Fair, and to 3 schools along the Baker River, with the help of PSU student intern Rebecca Thompson. The BRWA's Watershed Science Education Grants Program provided microscopes and water quality analysis kits to Plymouth Elementary instructor Alyssa Greenler, kick nets to Wentworth Elementary instructors Chris Misavage and Amber Comtois, a Floodplain Development model to the Mountain Village Charter School's instructor Cristina LaRue, and a portable microscope for use by school groups visiting Ouincy Bog Natural Area. The BRWA partnered with the 1st annual Baker River Regatta, a river race that featured BRWA's River Keepers class and prizes from local restaurants. River Keeper awards went to boats that collected the most garbage, or most diverse garbage, during the race. A planned river clean-up in August was deterred by unusually high water. Instead, the prizes collected for that event went to stellar stewards, who put phenomenal personal effort into debris collection after the 2017 floods.

Steering Committee: Each town in the BRWA selects up to 2 representatives to liaise with town administrators, and 2 or more water samplers to collect data from several beaches in their town. The representatives serve on the BRWA's steering committee. At the 2018 annual meeting we elected Warren representative, Kellie Pinon, as Chair and new Wentworth representative, Omer Ahern, as Vice-Chair. Rumney's Cindy Sagesse will serve as both river monitor and representative, joining representative David Saad. Kevin Hopkins and Jay Johnson continue their long-time service to Warren. Plymouth's sole representative Lisa Doner is now the Secretary/Treasurer and organizes the river monitoring team. There is current need for another representative and monitors for Plymouth. The Steering Committee meets a few times a year to discuss watershed needs.

Water Quality: Each summer (June-Sept) the BRWA takes water samples for *E. coli* and chloride analyses. The towns compensate BRWA \$30/sample for this service, totaling \$300/yr per town. This year two Plymouth State Interns also collected data on pH, oxygen levels, turbidity and conductivity at 12 sites along the Baker River, twice a month, supported jointly by Plymouth State University research funding and BRWA donations. Detailed results can be found on the BRWA website (see below). In general, the Baker River is still healthy. There is a trend, however, towards lower oxygenation levels and pH, and higher water temperature and turbidity. Wentworth, Rumney and Plymouth all had sites with higher-than-safe E. coli levels. This led to a temporary closure of one swimming hole in Wentworth. The RV Park in Rumney had E. coli levels that warranted closure in Aug and Sept., and Plymouth's Green Bridge on Rte 3 exceeded safe levels from Jun-Sept. Warren's only water quality concern in 2018 was turbidity, which spiked far above all the other sites on the Baker River after every rain event. This is due to banks highly destabilized by dredging in 2017 and 2018.

Follow BRWA happenings on the web (http://www.facebook.com/BakerRiverNH/). Contact the Chair (chair@bakerriverwatershed.org) to volunteer as a representative, a board member or a water tester for your town.

2018 BRWA Steering Committee:

Lisa Doner, departing Chair and Plymouth River Monitor and Representative David Saad, departing vice-Chair and Rumney Representative Cindy Sagesse, Rumney River Monitor and new Representative Sarah Brown, Wentworth River Monitor and Representative Omer Ahern, Wentworth Representative and incoming Vice-Chair (2019-2022) Kellie Pinon, Warren Representative and incoming Chair (2019-2022) Kevin Hopkins, Warren River Monitor and Representative Jay Johnson, Warren River Monitor

Submitted by departing Chair, Lisa Doner, January 9, 2019.

SUPERINTENDENT'S REPORT 2018-2019

Welcome to the world of public education in the second decade of the twenty first century. Our schools are fully engaged in the fast changing pace of technology, in enhancing security systems, and in mental health education.

Safety and Security is a priority in all of our schools. Each school has a safety committee that includes administration, teachers, and local resources such as emergency management personnel. These teams meet often on emergency protocols such as fire drills, shelter in place, medical emergencies, response to active shooters, etc. The Department of Homeland Security has evaluated most of our schools safety equipment and procedures to ensure our buildings and faculty have the most up to date trainings and functioning equipment such as security cameras and other technologies that enhance a safe and secure environment.

We are continuing to focus on mental health and specifically **trauma informed** cultures and tools to assist students who have experienced trauma. Each school has developed teams from both inside our schools and out in the community including both the CADY and ADAPT programs to build a system of supports and interventions for families and students.

All schools within SAU 48 have rolled out the **common report card** in grades K-4 with the option of 5. The purpose of this shift in to ensure all students are being taught and graded on the same indicators, regardless of which elementary school they attend. The common standards are in the four content areas: literacy, mathematics, social studies, and science.

Plymouth Regional High School is currently going through the **NEASC Accreditation** process which will outline strengths and opportunities for growth. The **Career and Technology Center Renovation** is completed and we are excited to offer upgraded and new programs for our students at the high school.

True technology integration cannot occur without the energy and expertise of our well-prepared K-12 students. Our **Student Technology Leaders** (STLs) continue to support their school communities. School Generation YES teams presented at the New Hampshire Christa McAuliffe Technology Conference in November. Gen YES connects teachers with students willing to share their technical knowledge. We believe all students should: a) have opportunities for personalized learning; b) help drive how technology is used in schools; c) be prepared for the 21st century workforce; and d) engage with their community and serve their school.

We continue to build strong school and public library partnerships. Our Library Media Specialists created **Makerspaces** in the libraries and classrooms where students gather to create, invent, and learn. Making is about learning that is interest-driven, hands-on, and often supported by peer-to-peer learning. Through **Do It Yourself** (DIY) projects, student learning promotes inquiry, giving students opportunities to solve problems and find answers to questions.

Several of our schools continue to take advantage of the NH Robotics Education Development Program offering students a unique opportunity to develop real-world skills. Schools created robotics teams and competed with other teams across the state. These grants will continue to help schools secure all the technical resources they will need to start a team, from robot kits and tools to tournament registration fees and stipends for team coaches.

Our schools are rapidly evolving, and will continue to be at the forefront of change. We value your participation as families and schools work together to prepare our students for a successful future.

Mark J. Halloran Ethel F. Gaides

Wentworth Elementary School 2018-2019 Principal Report

Dear Families and Community Members,

I am excited to report that Wentworth Elementary School is having a spectacular year. We have students engaged in more activities before and after school than ever! We have many first time athletes who are trying team sports for the first time. Most importantly, we continue to show great academic growth at all levels. The students and staff are doing amazing work here and the community should be proud. We continue to be ranked in the top 3 for Grafton County.

Currently WES has 59 students kindergarten to eighth grade, divided into five classrooms. We have a strong staff at WES who are committed to working in this community. Our entire team returned to continue the great work we are doing.

Academically, WES continues to excel in both Literacy and Math. As a school building in 2018, we were 74% proficient in Literacy, compared to the state average of 58%, and 75% proficient in Math compared to the state average of 48%. Your students and young citizens are above average for the State of New Hampshire, and the highest combined proficiency in the school district. We are looking forward to seeing how this school year turns out given our strong start.

This school year, we are continuing with our school expectations: **S**afety, **O**wnership, **A**chievement and **R**espect. SOAR! Kids continue to live up to these expectations in all areas of their school life. As a building we are focusing on optimism and how it can change our outlook on each day.

One of the ways students practiced working together as a school community was during our all school book reading of *The World According to Humphrey* by Betty G. Birney. Kids in every grade read in class, and we also read during our morning meeting. The purpose of this exercise was for us to come together and experience a great read together.

Our peer leadership group, as well as several staff members, have brought numerous community oriented activities, events, and campus enhancements to the school. Some of these new exciting changes include: a butterfly garden, a story book walk, and involvement in the Pemi Baker watershed river study. Community members can visit our school and enjoy a new book monthly on our story book walk. Along the way, there will be a butterfly garden where you can sit and relax. Students in our school grade K-8 also have the opportunity to participate in real scientific exploration. Our students are studying the Baker River by measuring macroinvertebrate populations and sharing their findings with the state in order to continue taking care of this natural resource that runs through our town. Local educator Amber Comtois applied for and secured grant funds to make this experience possible.

Another new and exciting improvement for Wentworth Elementary School is our grant funded makerspace! It is a mobile experiment and STEM creation lab filled with preprogramming games, supplies for inventing, and so much more. Teachers can sign out portions of the maker space or the whole thing when students are studying science or math concepts that require a creative component.

Last but not least, through grant funding, Wentworth Elementary School's gymnasium continues to be upgraded for community and school use. We have added a new high definition projector, which works with our upgraded audio system. Numerous community organizations sign out and use our facility monthly, like the local 4H organization and the Veterans Committee. We invite any community organization to reserve our space for their community event.

Wentworth Elementary School is always a very busy place! THANK YOU parents and extended school community for the unwavering support you show us year after year. Our students and staff benefit greatly from the support you give the school. We look forward to seeing you at our next event!

Respectfully Submitted,

Joe Sampson

Joe Sampson Principal

Wentworth Elementary School 2018 Annual School Nurse Report

January 2, 2019

I am pleased to relay to the Wentworth Community the annual report of the School Health Office at Wentworth Elementary School (WES). We currently have 59 students enrolled at WES and despite our relatively small student population, the health office remains active. Wentworth Elementary is fortunate to have a school nurse staffed full time to promote student well-being and academic success.

The following data is the health services summary from January 1, 2018 to December 31, 2018:

Injury Event: 286 Illness Event: 386 Other Health: 751

Management: 341 Medication Administration: 273

Total Student visits to health office: 1,417

The WES Health Office continues to promote injury and illness prevention, and support learning by reducing the time students spend in the health office as well as frequency of visits. I aim for a 95% return to class rate and an average visit time of 5 minutes or less. Every student interaction allows an opportunity to provide health education. In September, I enjoyed visiting each classroom to teach proper hand hygiene to reduce the spread of germs. We experimented with Glo-Germ and students were able to visualize how germs spread and what effective handwashing entails. It was a fun learning opportunity for all.

While not mandated by the state of NH, WES continues to offer annual height, weight and hearing screenings in an attempt to identify and refer any students who may be having respective difficulties. These screenings were completed by the end of November on 91% of WES students. Parents were notified in advance and given the opportunity to opt their student out of screening. We also conduct pediculosis screenings throughout the year as needed.

Vision screenings were done through the Pemi-Baker Lions Club on November 20th. 21 WES students were screened using the Welch Allyn Spot Vision Screener.

The New Hampshire Department of Health and Human Services requires all public schools to report on immunization compliance for students in grades Pre-K to 8. Children must have proof of all required immunizations, or valid exemptions, in order to attend school (https://www.dhhs.nh.gov/dphs/immunization/documents/schools18-19.pdf). The WES immunization report was completed and submitted by the November 15 deadline.

The Center for Disease Control recommends the flu vaccine for children six months of age and older. In coordination with the New Hampshire Immunization Program and the Public Health Network of Central New Hampshire, WES hosted a school-based flu clinic on October 26. 32% of WES students received the flu vaccine through our clinic that day.

Speare Memorial Hospital continues to sponsor a Dental Health Clinic to provide services to all students with parental consent. Dental screenings, cleanings, sealants, fluoride treatments, temporary fillings, and oral hygiene education are offered through this program. Ruth Doane, RH provided dental care to 39 WES students over two days in October, and continues to work with students throughout the year to coordinate dental care as needed.

In accordance with the SAU concussion protocol, and in cooperation with Plymouth Regional High School's Head Athletic Trainer, John Brule, ATC, WES administers the Immediate Post Concussion Assessment and Cognitive Testing (ImPACT) on all student athletes. If an athlete is believed to have suffered a head injury during competition, ImPACT is used to help determine the severity of the head injury and when the injury has completely resolved. WES also encourages CPR Certification for all teachers and coaching staff. The learning modules are completed online through the American Heart Association and the hands-on testing is conducted by John Brule, ATC. WES appreciates John's support in assistant our staff with this certification. Seven WES staff members are CPR/First Aid/AED certified at this time.

The SAU 48 school nurses continue to meet monthly at Speare Memorial Hospital with the School Nurse Director, Beth Simpson, RNC. As an employee of Speare Memorial Hospital, the support and resources that are available to me through Speare and the recently affiliated, Plymouth Pediatrics, are greatly appreciated.

Respectfully submitted,

Wentworth School District Annual Meeting State of New Hampshire March 10, 2018

A legal meeting of the inhabitants of the School District in the Town of Wentworth, in the County of Grafton, State of New Hampshire, qualified to vote upon District affairs was called to order by Moderator, Stephen Welch, at 4:30 p.m. Mr. Welch led those present in the Pledge of Allegiance to the flag. He then reminded everyone to use the microphone, state their name and direct all questions through the moderator.

Mr. Welch went on to make the following announcement.

You are hereby notified to meet at the Wentworth Elementary School in said Wentworth on Tuesday, the 13th of March, polls to be open *for voting on Article 1* at 11:00 o'clock in the forenoon, and to close not earlier than 7:00 o'clock in the afternoon.

Article 1: Election of Officers

To choose all necessary School District Officials for the year ensuing.
(Second Session, March 13, 2018)
Clerk (One Year Term)
Treasurer (Two Year Term)
School Board Member (Three Year Term)

Motion to accept as read by Steve Welch, seconded by Melisa Farrell **Article was passed by Voice Vote**

Article 2: Accept reports of Agents & Officers

To see what action the School District will take relative to the reports of agents, auditors, committees and officers.

Motion to accept as read by Kevin Kay, seconded by Melisa Farrell **Article was passed by Voice Vote**

Article 3: Fire Alarm System

To see if the town will vote to raise and appropriate the sum of fifty-five thousand dollars (\$55,000) for the installation of a fire alarm system. \$22,000 to come from the NH Public School Infrastructure Fund. \$25,000 to come from the previously established School Facilities Capital Reserve Fund. The balance to come from Fund Balance available for transfer on July 1, 2018 or taxation if no Fund Balance exists. Recommendations required. (Majority vote required.)

Motion to accept as read by Kevin Kay, seconded by Kathleen Mack **Article was passed by Voice Vote**

Article 4: Fund Balance to Capital Reserve

To see if the school district will vote to raise and appropriate the sum of up to \$10,000 to be added to the School Building Capital Reserve Fund previously established. This sum to come from June 30, 2018 fund balance available for transfer on July 1, 2018. No amount to be raised from taxation. The School Board recommends this article. (Majority vote required)

Motion to accept as read by Melisa Farrell, seconded by Kevin Kay **Article was passed by Voice Vote** Amendments none after discussion

Article 5: **Operating Budget:**

To see if the school district will vote to raise and appropriate the SCHOOL BOARD'S recommended amount of One Million Five Hundred Eleven Thousand Two Hundred Four Dollars \$1,511,204. Said amount does not include any amounts contained in any other article. (Majority vote required)

Motion to accept as read by Melisa Farrell, seconded by Kevin Kay.

Article was passed by Voice Vote

Motion to adjourn by Stephen Welch, seconded Kevin Kay

Meeting was adjourned at 5:00 p.m.

INDEPENDENT AUDITOR'S REPORT

To the School Board Wentworth School District Wentworth, New Hampshire

We have audited the accompanying financial statements of the governmental activities, each major fund, and the aggregate remaining fund information of the Wentworth School District as of and for the year ended June 30, 2018, and the related notes to the financial statements, which collectively comprise the District's basic financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Opinions

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, each major fund, and the aggregate remaining fund information of the Wentworth School District, as of June 30, 2018, and the respective changes in financial position for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Emphasis of Matter

Implementation of GASB Statement No. 75

As discussed in Note 1 to the financial statements, in 2018 the Wentworth School District adopted new accounting guidance prescribed by GASB 75 for its other post-employment benefits (OPEB). Because GASB 75 implements new measurement criteria and reporting provisions, significant information has been added to the Government Wide Statements. The Statement of Net Position discloses the Wentworth School District's Total OPEB Liability and some deferred outflows of resources and deferred inflows of resources related to the Wentworth School District's other post-employment benefits actuarial valuation. The Statement of Activities discloses the adjustment to the Wentworth School District's Beginning Net Position. Our opinion is not modified with respect to the matter.

Other Matters

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis, budgetary comparison information, schedule of changes in total OPEB liability, schedule of the district's proportionate share of net pension liability, and schedule of district contributions on pages 7 through 19 and 52 through 59 be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.
