Sonia Scheller presented an application for the voluntary merger of five small lots into one of the Scheller's larger lots. The form is in order, signed, and the fee collected. John Meade asked the Board to review his thoughts/ideas about changing the Planning Board Regulations to provide for Commercial Site Review and follow the guidelines in RSA 675:6 and be prepared to discuss at next meeting. The process is long, so it is in the town's best interest to get it started as soon as possible.
