

TOWN OF WENTWORTH NEW HAMPSHIRE
OFFICE OF THE SELECTMEN
Minutes of Selectmen's Meeting of April 01, 2014

Present: Steve Davis, Pete Santom and Catherine Stover

Also Present: Chief Kevin Kay, Craig Pasco, Peter Daigneault, Palmer Koelb, Ellie Murray, George Morrill and Kenyon Karl (recording the meeting)

Steve motioned to open the public meeting at 6:00 pm, seconded by Pete and approved. The Board reviewed and signed vendor payments and payroll.

Board discussed working on the policy manual. Steve asked if the holidays had increased. The Administrative Assistant said no. Steve asked the office to confirm. If the Board is all present next week, the Board will begin the review.

Steve asked the Administrative Assistant about the postage for the Town Clerk/Tax Collector's office. The AA told him the TC/TC said it was for postage, certified lien notices. Steve said that the TC/TC will need to reduce costs in another area so that he does not go over budget. Steve requested to speak with George when he is free, after his office closes at 7 pm tonight. Peter said that would be fine.

Chief Kay gave a police department status update. Chief Kay stated that area wide burglaries are on run from the rise in nearby towns of Groton, Dorchester and over the state line in Vermont, and he reminds people to be vigilant. Steve asked what the Chief's recommendation would be. Chief Kay said be vigilant and that if you should see something suspicious, write down the information and keep things locked.

The Board reviewed and signed:

- Current Use application for the Gardner Trust property.
- Veteran's applications and letters requesting additional information from the applicants.
- Intent to Excavate for King, M/L 05-04-08

The Board reviewed a request from Jared King to move his skidder from Webster Road down Cape Moonshine to Rte. 25A. The Board signed the request. Chief Kay stated they did have an issue last week involving a fully loaded truck traveling on Rowentown Road, at 1 pm in the afternoon. The logger said he had the Road Agent's permission to travel. Chief Kay spoke with Road Agent and he said based on the posting notice, he did give permission. Chief Kay said he was not in the loop, and said maybe in the future a triplicate form be used so that Police Department, Selectmen's Office, Highway Department all have so that if an exception is made, to the posting, everyone is aware of it. Chief Kay asked if the Road Agent is able to change the orders. Steve said no, that once the directive is signed, no changes can be made, although exceptions can be made. Pete agreed this was a good idea.

The Board reviewed and discussed the damage at the Transfer station to the oil container. Steve made a recommendation to ask Paul Davis Jr. for a quote for repair, Pete agreed.

The Board discussed the HB before the Senate regarding paint disposal. Steve and Pete agree to respond to this bill on a personal level vs. a board level.

Steve talked about the budget and asked if there are any flags showing and whether I had any concerns. I said no. Steve asked if the Library has completed their boiler repair. I said I don't believe they have yet.

Chief Kay brought to the Board's attention the Town Offices security camera system, and obtaining maintenance support. Steve suggested contacting John Francis of the SAU 48 for input. Chief Kay also offered to take an old TV out of the Meeting room and dispose of it at the Transfer Station. The Board approved.

George Morrill stepped into the meeting to discuss his Budget with the Board. George stated that there were twice as many liens as last year (94 this year at \$6.50 each). George stated he is not planning on going over the budget. He also stated he will be sending out dog renewals. Steve said to remind people that we do enforce licensing of dogs. Chief Kay agreed. George also stated there are 19 this year for deeding. In addition there are 2 tax mailings. Craig Pasco asked about the 19 going to deed. George said they are not deeded yet, but if they don't pay it will go to deed.

Peter Diagneault was in attendance and inquired about a notation on the agenda listed under the heading of Old/Ongoing Business regarding, Review NH Elec. Co poles in ROW. Peter discussed his concerns regarding the proposed installation of poles by NH Elec. Co. and referred to RSA 231:161 which speaks of the procedures and Petitions for permits for erecting or installing poles. Peter also discussed the concern of leaving the old poles behind and the loss of land. Steve said he will discuss with Jeanie Forrester and Carol Friedrich the possibility of charging for the poles left behind as an incentive to remove them. Peter said the residents in the impacted area plan on drafting a letter to the NH Elec Co, and he will cc the Town on the letter. Steve stated the Board would not say whether they would or would not support the position of the Atwell Hill resident's regarding the subject, but he did say that the Board would not take any action without those resident's input, and stated the Board will look at the information.

Steve motioned to adjourn the public meeting at 7:00 pm, seconded by Pete and approved.

Steve motioned to go into a Non-Public Meeting per RSA 91-A:3, II(c) – Matters which, if discussed in public, would likely affect adversely the reputation of any person, other than a member of the body or agency itself, unless such person requests an open meeting at 7:00 pm, seconded by Pete and approved. The Board discussed a resident complaint, no decisions were made. Steve motioned to come out of the Non-Public Meeting at 7:15 pm, seconded by Pete and approved.

Respectfully submitted by Catherine Stover

Subject: Meeting Minutes Emergency Meeting of 4/3/2014

April 3, 2014 6:00PM

Emergency Meeting of the Wentworth Selectmen

Subject: Road damage caused by large trucks on Town graveled roads

Background: On the night of Town Meeting 2014 the Board approved the closing of roads during "Mud Season" to protect the roads from severe rutting and damage. This is done in some form annually to improve egress for the residents of the roads and to assure unimpeded access by emergency vehicles. This year was no different except there was some language added that was confusing and allowed heavy vehicle access more or less to the discretion of the truck operator. I was brought to the Boards attention that this policy was not being followed in many cases (4 cases reported) and that the policy had to change.

Member Davis contacted the Road Agent for clarification and guidance and the Road Agent confirmed that the policy was confusing and was causing road damage as the drivers were not making good decisions on when the roads were frozen and how late in the day to operate.

Member Santom had separate conversations with area residents and with the same conclusion. Members Davis and Santom agreed to contract Chairman Morrison for an emergency meeting. Davis left a message on Morrison's home phone at 5:35 PM on April 3rd and received a call back at 5:50. After hearing the subject matter Morrison made a motion to "close the roads immediately", seconded by Davis. Davis then called Santom and discussed the conversation, the motion and the second to the motion. Member Santom then approved the motion and the meeting fully closed at around 6:00 PM.

The following message was sent to Road Agent Emery at the date stamp indicated.

Sent: Thursday, April 03, 2014 6:12 PM
To: 'John Emery'
Subject: RE: Road postings

Steve Davis 4/8/2014
RCM 4/8/2014

John,

Effective immediately you are requested to close all effected roads. The Board (unanimously) has met over the phone and have agreed to shut all affected roads down effective immediately. I will make a motion next meeting to in the future give the Road Agent total control over these decisions, but with the stipulation that you make sure you keep the Board through Catherine abreast of your decisions. I would tell you this over the phone tonight, but do not have your personal phone number. Please forward that to me.

Best,
Steve Davis
Member,
Wentworth Board of Selectmen

March 10, 2014

Highway Department Directive
Town Road Posting

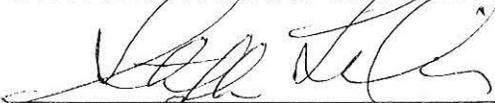

By order of the Selectmen, the following Roads are to be posted, beginning on the day in which the State begins posting their roads. This year the roads are to be posted, Monday, March 17th.

Logging trucks are hereby given permission to travel the posted roads, temperature allowing, between the hours of 10 pm to 9 am.

The following roads shall be posted:

Road	Location of Posting
North Dorchester	Route 25
East Side Road	State Shed
Cape Moonshine Road	Both Ends of the Road
Nichols Hill Road	By Route 25A
Atwell Hill Road	By the Town Offices
East Side Road	By Buffalo Road
Beech Hill Road	Both Ends of the Road
Sanders Hill Road	By Route 25
Cheever Road	By the Dorchester/Wentworth Line
Dufour Road	Route 25
Ellsworth Hill Road	Route 25
Lookaway Lane	Route 25
Hilltop Road	Route 25
Zoe/Auguste Road	Beginning of Zoe Road

WENTWORTH BOARD OF SELECTMEN

Steve Davis, Selectman

Francis Muzzey, Selectman

Randy Morrison, Chairman

TOWN OF WENTWORTH NEW HAMPSHIRE
OFFICE OF THE SELECTMEN
Minutes of Selectmen's Meeting of April 08, 2014

Present: Steve Davis, Randy Morrison and Catherine Stover

Also Present: Chief Kevin Kay, Craig Pasco, Peter Daigneault, Ellie Murray, Patty and Jeremy Rathbun, Daniel Nina, Francis Muzzey, Noel King, Jared King and Kenyon Karl (recording the meeting)

Randy motioned to open the public meeting at 6:00 pm, seconded by Steve and approved. The Board reviewed and signed vendor payments.

Steve questioned the Lakes Region Mutual Aid Communications payment for the Fire Department. Steve refused to sign the check until he hears from the Chief Ames, because the payment places the communication account over budget.

Steve requested input from the Treasurer, Deb Vlk, before signing the check for the Pemi-Baker Home Health Hospice appropriation.

Steve stated they signed a Tax Warrant for Excavation of Gravel. He noted there was not cost, as no gravel was excavated.

The Board reviewed and approved requisitions submitted from the Road Agent for road salt (33 tons), Cold Patch and broom brushes for the Sweeper. Francis asked if there has been any salt bought this year. The Board said that they have not bought any this year, and this purchase will lock in the price for them.

The Board reviewed and approved a quote received from Paul Davis Jr. for the repair to the covering for the oil tank collection at the Transfer Station.

Chief Kay stated the back roads are starting to harden, and they are now able to the back roads and give reminders to travelers of the speed limits. Chief Kay stated they are watching the weather and will soon be removing the snow tires, which they are hoping to be able to keep for another year. Steve asked about Cross Road. Chief Kay stated it is doing well, the stone that was put in last year was fine, there were some issues below that in areas that did not have stone. They have now put in stone in that area, and he feels it is working well. Chief Kay stated that last week there was a discussion during the Selectmen's meeting on the topic of guns and control. He stated that he had made a comment that if gun owners were not prepared to use it, they shouldn't have one for security purposes. He stated that he wished to clarify that if you are a hunter or use a gun for sport, it is not the same as using a gun for protection, and from a security standpoint, he wished to retract that statement. Chief Kay also mentioned that they had discussion last week about road posting.

Steve referred to a document with the Minutes of a Non-Public Meeting which was held on April 3 by phone with Randy Morrison, Steve Davis and Pete Santom regarding posted roads. He read the minutes to the public. The Administrative Assistant asked for clarification regarding Non-Public vs. an Emergency Meeting. Steve stated that it was an Emergency Meeting, not a Non-Public Meeting. He stated that Randy motioned to close the roads immediately, seconded by Pete and Steve and approved. Noel King asked which roads were a problem. Steve stated

that Ellsworth Hill mainly and Atwell Hill. Noel stated that Jared did travel Atwell Hill Road, but nothing was disturbed and they had permission. Steve said he would like to make a motion that the Board, working through the Road Agent, the Road Agent primary decision maker, from now on, makes the decision whether to restrict or close the roads, based on the condition of the road. Randy did not second the motion, and stated that he believes it should come through the Board and the Board should give direction to the Road Agent. Steve asked if they could agree that if the Road Agent sees an emergency he can act, Randy said yes, if he lets them know. Chief Kay stated when the roads are posted, and when there are exceptions, it makes it very confusing. Francis said his recollection is that there has never been an issue in the past. Noel feels the biggest impact is to the tar roads, not the dirt roads. Steve says by next Spring we should be more proactive that they make it clear to the truckers to not be driving on the roads when they shouldn't be.

Patty Rathbun, introduced herself, and her organization, Individual Centered Achievement Network (ICAN), which is a nonprofit organization here in Wentworth. They are available to help low income families to help them succeed and get off of welfare and food stamps. Their organization believes in bringing the communities together to assist. She stated there are issues between the parents and the PTO, and many parents feel left out of the PTO. They work with the PTO to help bridge the gap. She stated it is very important, important to have both parents in the lives of children. They help provide goals, and help guide them. Steve asked where the Selectmen come into this. She said she would like to have the Town's permission to possibly use the Town Hall for an event. Steve directed her to fill out an Event Application Form.

The Board reviewed and discussed a complaint received regarding North Dorchester Road and the Road Agent's response to the complaint. The Board requested that I forward the Road Agent's response to the complainant. Steve stated the Board has read Road Agents response and found it reasonable. Chief Kay stated that he believes the complaint is in reference to the State owned portion of the road.

Francis stated that several years ago a survey was done by the Board in which copies of the Marlow Decision was sent to all land owners having land in Current Use. Land owners were required to report the conditions of the land in Current Use by category, which were then rated by 3 categories used to determine the Current Use range. Francis stated that it is his opinion that the Current Use assessment is tainted. Francis stated that because the lowest level range of assessment for wetlands was \$10.00 an acre and that because the equalization ratio is over 100%, the lowest assessed land should be more than \$10.00 per acre. Which is why Francis stated is one of the reasons he wants the data requested. He stated that Steve said he was going to look into it 3 weeks ago, and asked Steve what he found out. Steve said we can get the data requested, but at a cost. Steve stated that the Board discussed in a Non-Public meeting the merits of the request for data. The data can be given, but will cost \$325.00. Steve told Francis that he would not speak with Francis about it anymore, that the Board would discuss it with Doug. Francis stated he has a right to ask for it as well due to the right to know law. Steve stated that Francis may ask for it.

Peter Diagneault presented the Board with copy of a letter that some residents on Atwell Hill Road have signed to be sent to the NH Elec Co-Op in regards to the relocation of poles. The residents met last weekend. Peter stated they would like the Co-Op to stay in right of way. He stated that his understanding of the RSA is that the Town owns the easement and the management of the easement and the Board has the right to give permission to utilities to use the right of way. Peter stated that the Co-Op will be coming to the Board for permission. The Board stated they are in agreement with the residents. Francis asked how the Co-Op got permission to put the lines up on

East Side Road. Steve said he doesn't know, but he is now looking into how they did this without permission. Francis asked to see the petition. The Board shared the petition with Francis. Ellie said when they did East Side Road, the Co-Op asked the owners.

Francis asked about time cards, stating he was previously in favor of time cards. He stated he has seen road employees at Shawnees at 6:58 in the morning with town vehicles on Monday. He says if they are on the clock and they should not be using the town equipment. The Board said they will look into it. Francis said John Emery told him he gave permission for his employees to go to Shawnees using the Town truck.

Steve made a motion to close the public meeting at 7:10 pm, seconded by Randy and approved.

Motion by Randy to go into a Non-Public Meeting per RSA 91-A:3, II(d) – Consideration of the acquisition, sale or lease of real or personal property which, if discussed in public, would likely benefit a party or parties whose interests are adverse to those of the general community at 7:18 pm, seconded by Steve and approved. The Board discussed with Noel and Jared King 2 offers made on 2 Town owned properties.

Noel and Jared King made an offer on the Dodge property, located on Rowentown Road. The Board will take the offer into consideration.

Noel and Jared King stated they were also interested in looking at the Town owned property located on Frescoln Road, so called the Butternut Lodge. Noel asked if they could go and look at the building on the property. The Board gave permission. Noel stated they will look at the property and get back to the Board next week.

Steve motioned to come out of the Non-Public meeting at 7:25 pm, seconded by Randy and approved.

Randy motioned to close the public meeting at 7:29 pm, seconded by Steve and approved.

Respectfully submitted by Catherine Stover

Minutes accepted by

TOWN OF WENTWORTH NEW HAMPSHIRE
OFFICE OF THE SELECTMEN
Minutes of Selectmen's Meeting of April 15, 2014

Present: Steve Davis, Randy Morrison, Pete Santom and Catherine Stover

Also Present: Chief Kevin Kay, Peter Daigneault, Ellie Murray, Palmer Koelb, Francis Muzzey, Noel King, George Morrill, Carol Friedrich, and Kenyon Karl (recording the meeting)

Randy motioned to open the public meeting at 6:00 pm, seconded by Pete and approved. The Board reviewed and signed vendor payments and payroll.

The Board reviewed and approved:

- Application for a Veteran's credit
- Timber Tax Warrant for a Report of Cut
- Intent to Cut for Brigette Wilms (3 intents)

Steve discussed the program Planet Aid which has a drop off box for items at the Transfer Station. Steve will resend his research regarding the organization to the office for the Board to review next week, and requested the subject be placed on the Agenda next week for discussion.

Chief Kay addressed the topic of the electric poles in the right of way listed on the Agenda under old/ongoing business. He stated he has had a chance to review most of the roads, and the only place that he saw an issue was on Nichols Hill road where there are 2 poles in the road. Chief Kay stated he has also spoken with the Road Agent and the Highway crew has had problems getting by. Chief Kay said they are NH Electric poles, but there are only phone wires on the poles. Steve stated the Town would send an email to FairPoint requesting they remove the poles. Chief Kay stated there is a double pole issue all over town. Randy stated there is one on Ellsworth Hill that is in the ditch line. Chief Kay said he will get the pole numbers. Randy said to give the pole numbers to the Administrative Assistant to draft a letter to the Co-Op.

Chief Kay stated that there have been some flooding issues on 25a by the Orford Town line. He is planning on heading out to check on it. He has posted on the PD Facebook page that there is significant flooding. Chief Kay stated he has also had a call from a resident on Rowentown Road that a culvert may have washed out; he will go and check it out, and told the Board they may need to tell the Road Agent. The Chief said that was all he had and asked if the Board had anything else for him. The Board said no, and Chief Kay left the meeting to go and check on roads.

Steve stated the board considering the addition of the Privilege of the Floor. Steve requested I print copies for the audience, and read the drafted Privilege of the Floor 1st reading. Steve stated no votes would be taken until there had been a few readings. After reading, Steve invited comments. Steve said the reference to disallowing employee criticism did not include Selectmen or elected officials, but stated that they would like a heads up so that that individual could have time to respond. Palmer asked if this change in policy would abrogate allowing dialogue and comments during the meeting not previously brought up. Steve stated no, it will not change that. Steve explained that it is to prevent acquisitions against employees without the Board having an opportunity to look into the acquisition. Steve asked the Boards input. Randy asked about the 4 day notification period. Steve said he felt it was to give the Board an opportunity to look into the facts. The Administrative Assistant asked if it could be worded to ask that the request be received

prior to the meeting, preferably a minimum of 4 days. Pete suggested a minimum of 36 hours. The Board decided that a second reading will be done next week.

Francis asked stated that turner road is not posted. Steve said he thought it was perm. Posted.

Francis asked when and where discussion of this policy was brought up prior to this meeting in an open forum. He stated it sounded like something that was done behind closed doors. Steve stated that he sent a draft to the Administrative Assistant, who modified it. Steve stated no decisions were made, just a request to have a first reading during the next meeting.

Francis stated that Turner Cross Road was posted, and was not one on the list of posted Roads. Steve stated he thought that it was permanently posted. Randy stated it is not posted and truckers do use it.

Francis stated that he came to the office last week to pick up some documents to take to Woodsville on Wednesday, and noticed that the Highway Department was sweeping Atwell Hill Road, and there were no signs up notifying the public of the work ahead. He said he went home to get his camera, and when he returned they were finished and already gone, and feels it's a liability.

Francis asked Randy what document it was that he took his signature off of. Randy stated it was an abatement notice for the Co-Op.

Francis stated that he was promised last week, that if he came to the office he would be able to have emails from Avitar. He said he forgot last week, when he was in, and he asked tonight, and they are not available. The Board agreed to give to Francis any emails, within the last 3 weeks, from Avitar, having to do with the Doug Muzzey request for data. All emails to be redacted of any confidential/privileged information, to be given to Francis next week.

Noel asked for clarification regarding the POF policy. He asked if the Board would grant, on short notice, if someone requests a non-public meeting regarding an employee. Noel said his point was that he might not need to give a 4 day notice if it is a non-public meeting, because the issue would be discussed in a non-public meeting and the Board would still be able to investigate the allegation/issue before bringing it to the public. Francis stated he believes that if someone asks for a Non-Public meeting, they might give the RSA under which the Non-public meeting can be heard, but not might want to divulge the subject matter, as he knows that in the past this has been done. Steve asked for clarification, and Francis stated he did not want to say in the public meeting. The Board stated they would have a non-public meeting to discuss this.

Ellie said the sign at the end of East Side Road by the Warren town line is knocked down. The Board asked the office to contact the Road Agent.

Peter Diagneault stated that the Co-op has been busy speaking to property owners up and down the Atwell Hill about the placement of the poles.

Carol Friedrich joined the meeting. Steve asked if she wanted to be on the agenda. Carol said no, she was just passing through on her way home from Concord.

Steve asked to add a Non-Public Meeting with Francis to agenda. Steve motioned at 7:00 pm to close the public meeting, seconded by Pete and approved.

Non-Public Meeting (1)

Randy motioned to go into a Non-Public Meeting at 7:05 pm, per RSA 91-A:3, II(d) – Consideration of the acquisition, sale or lease of real or personal property which, if discussed in public, would likely benefit a party or parties whose interests are adverse to those of the general community, seconded by Steve and approved. Noel and Jared King discussed with the Board an offer for the Rowentown Road property, M/L 10-05-05. Steve motioned to come out of the Non-Public meeting at 7:17 pm, seconded by Randy and approved.

Non-Public Meeting (2)

Randy motioned to go into a Non-Public Meeting at 7:17 pm, per RSA 91-A:3, II(c) – Matters which, if discussed in public, would likely affect adversely the reputation of any person, other than a member of the body or agency itself, unless such person requests an open meeting. This exemption shall extend to any application for assistance or tax abatement or waiver of a fee, fine, or other levy, if based on inability to pay or poverty of the applicant. Motion seconded by Pete and approved. George Morrill discussed and shared with the Board a list of properties that are currently scheduled to be deeded to the town, unless payment is received by April 23rd. George also stated that 68 properties are coming up for lien on the 24th as well. Randy motioned to come out of the Non-Public meeting at 7:28 pm, seconded by Steve and approved.

Non-Public Meeting (3)

Randy motioned to go into a Non-Public meeting at 7:35 pm, per RSA 91-A:3, II(c) – Matters which, if discussed in public, would likely affect adversely the reputation of any person, other than a member of the body or agency itself, unless such person requests an open meeting. This exemption shall extend to any application for assistance or tax abatement or waiver of a fee, fine, or other levy, if based on inability to pay or poverty of the applicant. Motion was seconded by Steve and approved. The Board reviewed and accepted a request for Welfare Assistance. Steve motioned to come out of the Non-Public meeting at 7:38 pm, seconded by Randy and approved.

Non-Public Meeting (4)

Randy motioned to go into a Non-Public meeting at 7:38 per RSA 91-A:3, II(c) – Matters which, if discussed in public, would likely affect adversely the reputation of any person, other than a member of the body or agency itself, unless such person requests an open meeting. This exemption shall extend to any application for assistance or tax abatement or waiver of a fee, fine, or other levy, if based on inability to pay or poverty of the applicant. Motion was seconded by Steve and approved. The Board discussed a failed septic system. Steve motioned to come out of the Non-Public meeting at 7:52 pm, seconded by Randy and approved.

Non-Public Meeting (5)

Steve motioned to go into a Non-Public Meeting at 7:52 pm, per RSA 91-A:3, II(d) – Consideration of the acquisition, sale or lease of real or personal property which, if discussed in public, would likely benefit a party or parties whose interests are adverse to those of the general community, seconded by Pete and approved. Randy Morrison made an offer to the Board to purchase the town owned property located on Buffalo Road, M/L 08-11-25. The Board accepted Randy's offer. The office will prepare paperwork for review at next week's Selectmen's meeting.

Steve motioned to come out of the Non-Public meeting at 7:55 pm, seconded by Pete and approved.

Non-Public Meeting (6)

Randy motioned to go into a Non-Public meeting at 7:55 per RSA 91-A:3, II(c) – Matters which, if discussed in public, would likely affect adversely the reputation of any person, other than a member of the body or agency itself, unless such person requests an open meeting. This exemption shall extend to any application for assistance or tax abatement or waiver of a fee, fine, or other levy, if based on inability to pay or poverty of the applicant. Motion was seconded by Steve and approved. The Board discussed a vendor, and also discussed switching to another vendor. The Board requested they place the matter on the agenda for review next week. Steve motioned to come out of the Non-Public meeting at 7:59 pm, seconded by Randy and approved.

Chief Kay spoke to the Board after returning from looking at the roads. Chief Kay stated the flooding on 25a is within Orford, and therefore, is Orford's issue. He stated the roads in South Wentworth are a disaster; some culverts not taking on water, and water going across Rowentown Road, also flooding on Frescoln Road. The Board requested that Chief Kay speak with the Road Agent to alert him to the situation. Chief Kay said he would speak to him to start early in the morning.

Non-Public Meeting (7)

Randy motioned to go into a Non-Public meeting at 8:05 pm, per RSA 91-A:3, II(c) – Matters which, if discussed in public, would likely affect adversely the reputation of any person, other than a member of the body or agency itself, unless such person requests an open meeting. This exemption shall extend to any application for assistance or tax abatement or waiver of a fee, fine, or other levy, if based on inability to pay or poverty of the applicant. The motion was seconded by Steve and approved. Francis asked that only the Board be present for the meeting. The Administrative Assistant was asked to step out of the meeting. Motion to come out of the Non-Public meeting at 8:17 pm, by Steve, seconded by Randy and approved.

Randy motioned to close the public meeting at 8:17 pm, seconded by Steve and approved.

Respectfully submitted by Catherine Stover

Minutes accepted by

TOWN OF WENTWORTH NEW HAMPSHIRE
OFFICE OF THE SELECTMEN
Non- Public Minutes (1) of April 15, 2014 Meeting

Present: Randy Morrison, Steve Davis, Pete Santom and Catherine Stover

Also Present: Noel King, Jared King

Non-Public Meeting (1)

Randy motioned to go into a Non-Public Meeting at 7:05 pm, per RSA 91-A:3, II(d) – Consideration of the acquisition, sale or lease of real or personal property which, if discussed in public, would likely benefit a party or parties whose interests are adverse to those of the general community, seconded by Steve and approved.

Noel and Jared King discussed with the Board an offer for the Rowentown Road property, M/L 10-05-05. Randy stated that minutes from a previous non-public meeting of last year, show that an offer was made from another party, and the Board declined the offer. The party making the offer requested to be notified should an offer be made at a later time in the future.

The Board decided to accept sealed bids for the sale of the property, to be opened at next week's meeting. Noel asked the Board about the possibility of doing a lot line adjustment. The Board said that it is possible, and suggested he speak with the Planning board at a later time. The Board requested the office to invite both parties to submit bids.

Noel and Jared King also discussed a Town owned property located at 119 Frescoln Road, M/L 10-01-11, so called the Butternut Lodge. They have looked at the property and are not interested.

Steve motioned to come out of the Non-Public meeting at 7:17 pm, seconded by Randy and approved.

Respectfully submitted,
Catherine Stover

TOWN OF WENTWORTH NEW HAMPSHIRE
OFFICE OF THE SELECTMEN
Non- Public Minutes (2) of April 15, 2014 Meeting

Present: Randy Morrison, Steve Davis, Pete Santom and Catherine Stover

Also Present: George Morrill

Non-Public Meeting (2)

Randy motioned to go into a Non-Public Meeting at 7:17 pm, per RSA 91-A:3, II(c) – Matters which, if discussed in public, would likely affect adversely the reputation of any person, other than a member of the body or agency itself, unless such person requests an open meeting. This exemption shall extend to any application for assistance or tax abatement or waiver of a fee, fine, or other levy, if based on inability to pay or poverty of the applicant. Motion seconded by Pete and approved.

George Morrill discussed and shared with the Board a list of property owners and their properties that are currently scheduled to be deeded to the town, unless payment is received by April 23rd. George also stated that 68 properties are coming up for lien on the 24th as well.

The Board stated they have tried to work with residents in the past, to allow them time to become current in their taxes. The Board felt that they can no longer extend this offer, as many of those property owners continue to be on the list.

Randy motioned to come out of the Non-Public meeting at 7:28 pm, seconded by Steve and approved.

Respectfully submitted,
Catherine Stover

Present: Randy Morrison, Steve Davis, Pete Santom and Catherine Stover

Also Present: Welfare Applicants

Non-Public Meeting (3)

Randy motioned to go into a Non-Public meeting at 7:35 pm, per RSA 91-A:3, II(c) – Matters which, if discussed in public, would likely affect adversely the reputation of any person, other than a member of the body or agency itself, unless such person requests an open meeting. This exemption shall extend to any application for assistance or tax abatement or waiver of a fee, fine, or other levy, if based on inability to pay or poverty of the applicant. Motion was seconded by Steve and approved.

The Board reviewed and accepted a request for Welfare Assistance in regards to the applicant's rent for the last 2 weeks in April. The Applicant agreed to participate in the WorkFare program to repay the assistance. The Board agreed to give a credit of \$10.00/hour toward the repayment of the assistance while participating in the program. The Applicants also agreed to make payments on the current support granted as well as support given in the past by the town.

Steve motioned to come out of the Non-Public meeting at 7:38 pm, seconded by Randy and approved.

Respectfully submitted,
Catherine Stover

Catherine Stover

Minutes accepted by

TOWN OF WENTWORTH NEW HAMPSHIRE
OFFICE OF THE SELECTMEN
Minutes of Selectmen's Meeting of April 22, 2014

Present: Steve Davis, Randy Morrison and Catherine Stover

Also Present: Chief Kevin Kay, Peter Daigneault, Ellie Murray, Palmer Koelb, Craig Pasco, Francis Muzzey, Paul Ducharme, John Emery, and Kenyon Karl (recording the meeting)

Randy motioned to open the public meeting at 5:55 pm, seconded by Steve and approved. The Board reviewed and signed vendor payments.

The Board reviewed and signed the following:

- Minutes of Meeting of April 15
- Intent to Cut for Scheller Farm
- Race Track License
- Report of Cut for Ames, Camp Pemi, Wilms
- Letter regarding a failed septic system to Dan Dunfey requesting it be corrected

The Board signed a letter to Francis Muzzey regarding his request per FOIA regarding emails from Avitar related to Doug Muzzey's request for data. Copies of requested emails were attached.

Steve stated that Randy Morrison has made offer to the Town for the purchase of the property located at 86 Buffalo Road, M/L 08-11-25 in the amount of \$7,000.00, which the Board has accepted.

Steve stated there will be a non-public meeting tonight to discuss properties that will be deeded. Francis asked the Board if there were any properties that they are not inclined to take. Steve stated that because they have had people who are on the list time and time again and not paid, they will be taking deed of unpaid properties.

Steve stated they had non-public meeting last week regarding accepting sealed bids for the property located on Rowentown Road, M/L 10-05-05, known as the Dodge property.

Steve noted that the Race track has requested an extra day. Steve asked Chief Kay to review their request and check with the Fire Department before the board approves the extra day. Chief Kay said that he would do so. He said they are racing the same as last year, so no change.

The Board reviewed FCC Radio Station Authorization License for the Highway Department.

Chief Kay said the snow tires should be off in the next 2 days, and acknowledged the granted license from the FCC. He said we are now using two different vendors, and he suggests seeing who will give us the best price, and select one rather than using two.

The Board received and approved a request from John Emery to attend OSHA Training for Advanced Grader Operation and Crisis Management for Public Works.

Steve stated the Board has reviewed and approved abatement requests for some campers at Pine Haven Campground that are no longer there. 3 were abated, as they are no longer there, 3 have now paid their delinquent taxes and one was denied, as there is a new camper there.

The Board received and opened 2 sealed bids regarding Town owned property for sale located on Rowentown Road, M/L 10-05-05. Jared King bid = \$5,200.00. Steve Welch bid = \$5,101.00. Steve made a motion to accept the offer from Jared King, seconded by Randy and approved.

Steve noted and congratulated John Emery as he is now certified as a Culvert Maintainer.

Randy stated to Steve that he has received an email from Robert McCormack, requesting Randy to call him, which he has done regarding the NH Elec Co-Op relocation of poles on Atwell Hill Road. Randy stated there are some property owners interested in having the lines put underground vs. above ground. Peter Diagneault was in attendance and also stated there were 3 residents interested in below ground wires. Randy stated that another resident on Atwell Hill, Rocco Difillipo, who also contacted Randy in regards to the relocation of poles. Peter stated they have been trying to get in touch with Mr. Difillipo to speak with him. Peter stated that the NH Elec has also contacted our Road Agent and requested that the Board advise the Road Agent to not sign anything without the Board's involvement. The Board stated the Road Agent would not. Steve stated that it is beneficial to the Town to have the poles placed roadside, as the Co-Op cleans the trees and shrub, costing tens of thousands of dollars, but that Steve would support them because of the petition and how they feel about the issue.

Steve asked if the past minutes from April 8, 2014 reflect that the Board will not support NH Electric's request to place the poles within the right of way, per the desires of those property owners that will be impacted. The minutes of April 8, do state that the Board was in agreement with the residents. For purposes of this record, these minutes of April 22, 2014, will reflect that the Board will support the resident's desire to not have the poles placed in the right of way, per their signed petition, and will reject the Co-Op's request to do so.

Steve gave a second reading of the Privilege of the Floor document. There were no objections to the draft. It was suggested to add a line to the Appropriate POF Subject Matter allowing criticism of Board members individually and as a whole. The office will make the updates, and the Board will review the document again next week.

The Board discussed Planet Aid which currently has a collection box at the Transfer Station. Randy says if we remove it, we will need to replace it with another box. Steve requested that his email regarding Planet Aid be posted and get feedback, and to place the subject on the agenda in 2 weeks for further discussion. Steve gave his work email out to those in attendance, if anyone would like to obtain a copy of the referenced email regarding Planet Aid.

The Board reviewed an offer from an outside vendor regarding Freon removal at the Transfer Station. The Board has decided to continue using the current vendor, Welch Mechanical, for Freon removal/disposal.

Steve spoke to John Emery about his request to install a Network Extender through Verizon for cell phone service at the Highway garage and surrounding yard. John stated it would be useful for vendors to be able to call him around the garage, and for family emergencies, as he recently had. Steve stated he is not in favor of \$250.00 for the equipment, as there is already a land line there, and they have a wireless phone. John stated the wireless phone can only be used in the garage,

and cannot be used outside around the premises. Steve stated he will buy a new wireless phone out of his pocket that will reach further than the garage door for the Highway department.

Ellie requested permission to bring a wall hanging picture, which is currently located at the Town Hall to the Town Offices to be hung. Both Francis and Ellie stated the picture was donated to the Town and belongs hanging at the Town Offices. Steve and Randy approved.

The Board told John Emery they do not want him to speak with NH Electric Co-Op regarding the relocation of poles on Atwell Hill, until the Co-Op has contacted the Board first. John agreed.

Non-Public Meeting (1)

Randy motioned to go into a Non-Public Meeting at 6:55 pm, per RSA 91-A:3, II(b) – The hiring of any person as a public employee. John discussed extending Rick Wendell's FT/seasonal support, which was to end April 30 for an additional 2-3 weeks. The Board approved the extension through May 25, 2014. John also discussed John Corso's upcoming full time/permanent status which the Board stated will be effective beginning April 28, 2014. John requested and the Board approved a \$1.00/hr pay increase for John Corso, also to be effective beginning April 28. The Board stated that vacation time and benefits will begin to accrue as of his full time permanent status.

The Board discussed the Highway Department's regular hours. John stated they are basically between 6 am - 5 pm. John requested permission to call John Corso for emergency call in's as might be needed in the future, as John Corso lives closer to the garage and the Board discussed minimum hours paid if called in for an emergency. John stated he is familiar with previous employer's paying a minimum of 2-3 hours for emergency call in, Steve stated his company offers a minimum 4 hours paid when called in for emergency. John also requested to be allowed to use Comp time, preventing to help keep overtime to a minimum. The Board approved comp time.

Next John discussed with the Board his request to have 3 full time employees for the Highway Department. Steve suggested having a working budget meeting to discuss further.

Steve motioned to come out of the Non-Public meeting at 7:10 pm, seconded by Randy and approved.

Non-Public Meeting (2)

Steve motioned to go into a Non-Public meeting at 7:10 pm, per RSA 91-A:3, II(d) – Consideration of the acquisition, sale or lease of real or personal property which, if discussed in public, would likely benefit a party or parties whose interests are adverse to those of the general community. Randy discussed the purchase of property on Buffalo Road, M/L 08-11-25, and stated he feels it can close on the 13th as planned. Prior to the purchase, Randy stated he has hired Ray Sanborn to survey the property, to validate the property lines. Steve stated this is agreeable, and motioned to close the meeting at 7:13 pm.

Steve motioned to adjourn the public meeting at 7:13 pm.

Respectfully submitted by Catherine Stover

Minutes accepted by

TOWN OF WENTWORTH NEW HAMPSHIRE
OFFICE OF THE SELECTMEN
Minutes of Selectmen's Meeting of April 29, 2014

Present: Randy Morrison, Pete Santom, Steve Davis and Catherine Stover

Also Present: Chief Kevin Kay, Peter Daigneault, Fred Brownson, Pierre Laflamme, Ellie Murray, Alice Cassell, Paul Davis Sr., Palmer Koelb, Craig Pasco, Francis Muzzey, and Kenyon Karl (recording the meeting)

Randy motioned to open the public meeting at 6:00 pm, seconded by Pete and approved. The Board reviewed and signed vendor payments and payroll.

The Board discussed a moose that was left in the C&D at the Transfer Station. Chief Kay stated we do not know how it got there, the actual dumping is not illegal, but in question is how it got there. Chief Kay said that the Fish and Game Department is not interested in pursuing the matter. Steve motioned that if it is not hauled out of there by Transfer Station hours tomorrow, that the Transfer Station is to be closed. Motion seconded by Pete and approved by Randy.

Steve also said there is a breach on the gate that needs to be fixed. The Board agreed that the Highway Department should fix it; Steve said it should only take about 30 minutes to repair.

The Board reviewed and approved the following:

- Minutes of Meeting of April 22, 2014
- An estimate for repair of table at Transfer Station submitted by Jr. Davis
- 2014 Race Track license and request to race May 17
- letters to bidders regarding purchase of property on Rowentown Rd, ML 10-05-05

Paul Davis Sr. asked when the roads will be unposted. He said he has spoken with the Road Agent who said it is up to the Board. The Board made a motion to open the roads effective as of today. Chief Kay told the Board that an incident occurred on Atwell Hill Road today, and if the Board makes the roads open effective today, they will be unable to fine the driver. Steve then motioned to open the roads effective tomorrow, seconded by Randy and approved.

Alice Cassell said they are without water, as there is an issue getting a wire to the well, which is on the other side of the road from them. They live on Buffalo Road. She said they are requesting the Town's help in digging on each side. Steve clarified that what they are asking is for the backhoe to come and assist with getting the wire run under the road. Alice said yes. Steve stated they can run a wire over the road. Steve shared his contact info and will speak with his son regarding how best to move forward. Randy mentioned that the Cassell's should also contact Dig Safe. Alice stated they have done so, and have left a message.

Chief Kay stated that he has spoken with Jeff Ames regarding coverage for the additional race day on May 17. Chief Ames said they are available and Chief Kay stated the PD is able to also provide coverage. The Board signed the 2014 Race Track license and approved the additional day of racing. Chief Kay stated that he also discussed with Jeff the radio wave frequency radio change and what the best plan would be to go forward. They both agree to go to both vendors that are currently being used and arrange to have them come on the same day and get all 3 departments, they Highway, Police and Fire Dept set up at the same time, and bill each dept. The Chief also discussed the trailer on Atwell Hill that went off the road into the soft shoulder. Chef Kay said the snow tires will be swapped off the cruiser this week.

Board reviewed and discussed the request by the Administrative Assistant to offer a public kiosk station for public access in the Town Offices lobby. The Board reviewed a quote from Brian Weeks for the electrical work. Steve motioned to accept the request and have the Chairman sign on behalf of the Board, seconded by Pete and approved.

Chief Kay told the Board that Pete Chierichetti has accepted a position with Grafton County and will be submitting a resignation letter. Chief Kay stated that Pete did contribute to assisting with race track detail,

and he will be looking to fill his coverage at the race track. Steve stated that Wentworth has no obligation to man coverage, which could be obtained from the County. Chief Kay agreed, but stated they are responsible for the setting the guidelines.

The Board reviewed a request from the Highway Dept to register for the Mountain of Demonstrations, May 22. Following discussion, the Board decided that the Hwy Dept could attend, but it would not be a paid day of work. The Board stated they could work on Saturday, to obtain their 40 hr wk week.

Steve read the third reading of the Privilege of the Floor document. Following the reading, he asked if there were any questions. Hearing none, Steve motioned to accept the document, seconded by Pete and approved.

Francis asked to mention 4 issues, some questions, some comments:

1. How many workers are employed now employed by the Highway Department? Randy stated 3. Francis asked why we still need 3. Randy stated just until the end of the month.
2. Which roads have been swept, and when would they be sweeping Goves Lane. Randy stated he could ask the Road Agent tomorrow.
3. He asked if the Board has read the emails from Avitar, and said he would ask that the Board do so, because he believes the information they are conveying is incorrect. He stated that the fact that someone receives an exemption is a public record, but the information behind it is private such as the income info etc.
4. Francis stated that the Fire Department was recognized and given an award at the Grange for its dedication to the Town and nearby communities for their service.

The Board discussed the fact that there are some downed trees belonging to Mr. Desorbo, which have fallen on his neighbor's property and reviewed a letter, asking his permission to remove the tree.

Steve reviewed and discussed a letter received from NH Elec Co-Op regarding the relocation of poles on Atwell Hill. The Board also reviewed a response to the letter from Peter Daigneault regarding the NH Elec Co-Op's statements.

Mr. LaFlamme asked the Board how the residents will be contacted to discuss design reviews. Steve stated the Co-Op has stated they will present 4 design plans for the Board's review, and the Board will contact the residents through our office. Steve said they will work with the land owners to come up with a conclusion that is acceptable to all.

Francis asked if they were going to be doing some sweeping on Goves Lane by the middle of May. Randy again stated that he would speak to the Highway Department tomorrow and get back to him. Palmer stated there has been virtually no grading done on Beech Hill. Peter Daigneault stated the Highway Department has graded Atwell Hill and did an awesome job.

Non-Public Meeting (1)

Steve motioned to go into a Non-Public Meeting at 7:05 pm per RSA 91-A:3, II(c), Matters which, if discussed in public, would likely affect adversely the reputation of any person, other than a member of the body or agency itself, unless such person requests an open meeting, seconded by Pete and approved. The Board discussed gathering bids for metal collection at the Transfer Station. Randy motioned to come out of the Non-Public meeting at 7:15 pm, seconded by Pete and approved.

Steve motioned to close the public meeting at 7:15 pm, seconded and approved.

Respectfully submitted by Catherine Stover
